

SP-WE660 Ceiling speaker

Features:

- Intelligent stereo WIFI wireless transmission solution, unlimited listening to cloud tracks;
- Multi-zone playback, each zone can play different music programs without interfering with each other;
- WIFI wireless connection and LAN network direct connection;
- Can be pushed to the speaker through multimedia such as AIRPLAY/D LAN/Q PLAY;
- When using the push function, multiple phones will simultaneously display the currently playing songs;
- The online music library will continue to play massive online tracks as long as the network is connected normally;
- Device shutdown time can be set via APP player;
- Can query device information (WIFI signal strength, IP address, firmware version);
- In the device information column, you can set the prompt tone language and restore the factory settings;
- High-quality ABS plastic injection molding, durable, no deformation, no fading;
- Built-in D class 2 × 30W power amplifier circuit, fine sound quality, powerful;
- High fidelity stereo design, professional CD level sound;
- Flexible connection port and quick installation method, easy to use;
- AC110V~AC220V wide voltage supply mode, free from voltage fluctuations;

Specification:

item	value
Place of Origin	China
	Guangdong
Brand Name	SURPASS
Warranty	3months-1year
Shell Material	Plastic
The body material	Plastic
Rated power	2*30W
Frequency response	80Hz-20KHz(±3dB)
Nonlinear distortion THD	<0.05% at 1kHz,1/3 rated output power
Signal to noise ratio S/N	>70dB
Speaker unit	6inch bass*1 coaxial 1.5inch treble
Power consumption	81W
Installation	Ceiling mount
Decorative materials	ABS
Power supply	AC110V~AC220V±10% 50-60Hz
Weight	4.5kg(2 pcs)
